Dear Our Lady of Perpetual Help School Parent,

We are happy to inform you that First Bank & Trust and Our Lady of Perpetual Help School are partnering for the 2018-2019 school year for the management of tuition and fees. Welcome to First Bank and Trust! We offer a convenient, secure portal for the one-time payment of tuition and/or fees or for the financing of tuition. The following contains some important information about the website and your program options.

Easy Online Access: If you are new to the First Bank and Trust website, you may log in at <https://tuitionportal.fbtonline.com> to set up your user identification and password. If you are already enrolled as a user on the FBT website for another school, you will not have to register again, but simply use your existing login and password to set up your OLPH student(s).

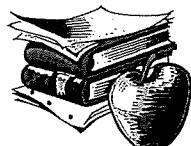

School Fees and Payment Options: *Beginning Thursday, February 1st*, the FBT website will be programmed with the following fees for the 2018-2019 school year – Tuition, Technology Fee, Classroom Activity Fee, Co-op Dues, and the Non-Supporting Fee. Your registration fee must be paid directly to Our Lady of Perpetual Help School. The payment of other programmed fees will be accepted via the FBT website using a one-time automatic bank draft, or a credit or debit card. There is no fee if you choose to pay using a bank draft. If you use a credit or debit card, a 2.99% processing fee will be added to the amount charged to your card.

Financing Option and Loan Terms: The Annual Percentage Rate on the tuition loan for Our Lady of Perpetual Help School is 8.0%. This rate is fixed over the school term and there is no pre-payment penalty if you decide to pay the loan off early. In addition, there is no credit check required for the borrower(s) and you will not be required to submit financial information. A ten month tuition loan will advance on June 1, 2018 and monthly payments will begin in July 2018. An annual fee of \$35.00 will be assessed on the advance date of your loan and billed on your first billing statement.

Convenient Automatic Loan Payments: If you elect to set up a tuition loan, you will be required to set up monthly loan payments on an automatic bank draft from your checking or savings account. You may choose a due date of the 3rd or the 15th of each month. A \$25.00 fee will be assessed for any returned payment. If a returned payment results in a delinquent status on your loan, an additional \$15.00 late fee will be assessed.

Our website is convenient and secure and our representatives are ready and available to assist you with the online process. Please do not hesitate to call us at (504) 584-5967 or 1-877-426-2376 for assistance. Thank you for the opportunity to serve you this upcoming school year.

Please refer to your school's Tuition and Fee Schedule to see which fees, if any can be financed with tuition.
